

Shortcut Technique of ESSAY Writing

যে কোন ইংলিশ Essay/রচনাকে ভাষায় প্রকাশ করতে গেলে দরকার হয় ☆ ভাষার জ্ঞান ☆ লেখার কলাকৌশল এবং ☆ রচনার আইডিয়া টিকে ডেভেলপ করার টেকনিক।

রচনার প্রদত্ত বিষয় সম্বন্ধে লিখতে হলে প্রথমে নিজেকে নিচের প্রশ্নগুলো গুলো করতে হবে ...

তাহলেই রচনা লেখার প্রথমিক তথ্য গুলো আপনি পেয়ে যাবেন ...

প্রশ্নগুলো হলঃ

What ⇒ কী?

Where ⇒ কোথায়?

When ⇒ কখন?

Why ⇒ কেন?

Who ⇒ কে?

How ⇒ কিভাবে?

যে কোন ভালো রচনা লেখার জন্য নিচের চারটি গুণের দিকে অবশ্যই খেয়াল রাখতে হবে...

☆ Completeness ⇒ অর্থের পরিপূর্ণতা (এর জন্য সঠিক বর্ণনা, প্রয়োজনীয় উদাহরণ ও তুলনা বা পার্থক্য দিতে হবে)

☆ Unity of Thought ⇒ ভাবের ঐক্য (এর জন্য রচনার প্রয়োজনীয় সব ধরনের তথ্য অন্তর্ভুক্ত করতে হবে কিন্তু রচনার সাথে খাপ খায় না এমন কোন কথা অন্তর্ভুক্ত করা উচিত নয়)

☆ Order of Presentation ⇒ উপস্থাপনের ধারাবাহিক শৃঙ্খলা (এর জন্য Time & Space এর ক্রম এর প্রতি লক্ষ রাখতে হবে)

☆ Coherence ⇒ সামঞ্জস্য বা বাক্যের মধ্যকার সঙ্গতি (এর জন্য ভাবের ধারাবাহিকতা রক্ষা করতে হবে ।

এবং Related Sentence Pattern ব্যবহার করতে হবে ... অর্থাৎ Active voice এ বাক্য লিখতে লিখতে হঠাৎ করে passive voice এ বাক্য গঠন করা যাবে না ।)

রচনার দুই বা ততোধিক বাক্যের মধ্যকার সঙ্গতি রক্ষার জন্য কিছু শব্দঃ

Word / phrase	→ শব্দার্থ
Although / though	→ যদিও
In spite of / despite	→ সত্ত্বেও
Even though	→ এমনকি যদিও
However	→ তবে / অবশ্য
In contrast to	→ বিপরীত ক্রমে
On the other hand	→ অপরপক্ষে
Instead of /In lieu of	→ পরিবর্তে , বদলে
Nevertheless / still /yet	→ তবুও (তথাপি)
Rather than	→ তার চেয়ে বরং
Additionally / moreover	→ অধিকন্তু
Again	→ আবার
Besides	→ তাছাড়া
Furthermore	→ অধিকন্তু
Likewise	→ একইভাবে , একরূপে
In addition to	→ তাছাড়া , অধিকন্তু
So long as	→ এই শর্তে যে / যদি না
So far as	→ যতদূর যাই / যতটা
Also / In addition	→ আরও , ও
Accordingly	→ তদানুসারে , সে কারণে
Because / since /as /for	→ যেহেতু , কারণ
Hence / Explanation for	→ এজন্য
Consequently /As a result	→ ফলে
Therefore	→ অতএব ,সুতরাং
Thus /In this way	→ এভাবে
When ...then	→ যখন.....তখন
So That	→ এত.....যে
In order to	→ উদ্দেশ্যে
For the purpose of	→ উদ্দেশ্যে
So that	→ যেন , যাতে , এই উদ্দেশ্যে যে

কারণ – ফলাফল বা সমস্যাযুক্ত রচনা সমূহঃ

Model Composition-1

(কারণ-ফলাফল বা সমস্যাযুক্ত যা কিছু) --- (Details)

Name

Introduction : We are beset with many problems. (Name) is one of the most serious of them. (Name) is a great problem. It is a curse for human beings. This problem has become a great concern (all over the world/in our country). This problem is becoming acute day by day. It creates other problems. But it is unexpected to all. Many reasons work behind it. So it is high time we checked (name).

Causes : There are many/reasons of (name). It is created in many ways. Firstly, (কারণ) is one of the major causes of it. (কারণ) is also the cause of (name) (কারণ), is responsible for it. (কারণ—) is also responsible for it. Besides, (কারণ) helps this problem to continue as feel helps a vehicle to run. (কারণ) is the another cause of (name). It also helps this problem to continue. Apart from this, (কারণ) is responsible for it (কারণ) is also the prime cause of this problem. Finally, all these problems are collectively responsible for (name).

Effects : There are many bad effects of (name). The effects are too difficult to describe in a word. It causes serious harm to us. It is the store of another problem. Because of this problem, people suffer seriously. It causes _____ problem, _____ problem, _____ problem etc. It results in _____ problem. As a result, we cannot lead a peaceful life. It has taken away our sound sleep. We are anxious about it, because we always have to try to find out a solution of this unexpected problem so that we can get rid of this bitter problem.

Preventions: To remove/prevent/check /reduce (name) is a hard task but not an impossible one. But worrying truth is that we could not solve this problem even now. Some active steps can be taken to solve this problem. (কারণ) should be (p.p). (কারণ) also must be (p.p). Besides, in order to solve this problem, we have to mobilize all our energies to this great purpose without wasting time. The most essential measure is that we all should be aware of it. (কারণ) should be (p.p) and (কারণ) must be (p.p). Apart from this, meetings, seminars and workshops can be held to this purpose. Even taking steps against this problem should get top most priority and be our immediate task. We must be pragmatic in our approach and an elaborate program should be chalked out in this regard. In fine, government and people should come forward with necessary remedies. Then we can get rid of this problem step by step.

Conclusion : (Name) is a great curse for us. All the reasons behind this should be found out and necessary steps should be taken about this without delay. Besides, we should put our all out efforts to fight this hazard before it takes a serious turn.

Name

Introduction :

We are beset with many problems. (name) is one of the most serious of them.(name) is a great problem. It is a curse for human beings. This problem has become a great concern (all over the world/in our country). This problem is becoming acute day by day. It creates other problems. But it is unexpected to all. Many reasons work behind it. So it is high time we checked (name).

Causes of (name) :

There are many/reasons of (name). It is created in many ways. Firstly, (কারণ) is one of the major causes of it. (কারণ) is also the cause of (name) (কারণ), (কারণ), are responsible for it. (কারণ—) is also responsible for it. Besides, (কারণ) helps this problem to continue as feel helps a vehicle to run. (কারণ) is another cause of (name). It also helps this problem to continue. Apart from this, (কারণ) is responsible for it (কারণ) is also the prime cause of this problem. Finally, all these problems are collectively responsible for (name).

Effects of (c) :

There are many bad effects of (name). -----

Remedies /Peventions :

Some active steps can be taken to solve this problem.. -----

----- The most essential measure is that we all should be aware of it. Apart from this, meetings, seminars and workshops can be held to this purpose. In fine, government and people should come forward with necessary remedies. Then we can get rid of this problem step by step.

Conclusion:

(Name) is a great curse for us. All the reasons behind this should be found out and necessary steps should be taken about this without delay. Besides, we should put our all out efforts to fight this hazard before it takes a serious turn.

সংস্কৃতি-১

Causes, Effects and Preventions

ENVIRONMENTAL POLLUTION

Causes :

1. Smoke
2. Garbage
3. Vehicles' fume
4. Deforestation
5. Industrial waste
6. Toxic chemical

Effects :

1. It cause different diseases.
2. It causes global warming.
3. It increases Carbon-dioxide.
4. It increases temperature.
5. It causes unnatural death.

Prevention :

1. Smoke should be controlled.
2. Garbage should be properly managed.
3. Vehicles' fume should be controlled.
4. Deforestation should be stopped.
5. Industrial waste should be properly managed.

CORRUPTION

Causes :

1. Greed
2. Nepotism
3. Tendency to be rich over night
4. Misuse of political power
5. Weakness of administration
6. Lack of morality

Effect :

1. It destroys the country image.
2. It destroys the backbone of a nation.
3. It hinders the economic development.

Prevention :

1. Greed should be avoided.
2. Morality should be developed.
3. Tendency to be rich over night should be removed.
4. Administration should be strong.
5. Nepotism should be avoided.
6. Misuse of political power should be removed.

ACID THROWING

Causes :

1. Failure in love
2. Failure in fulfilling demand
3. Jealousy
4. Lack of morality
5. Weakness of administration
6. Open market sale of acid

Effects :

1. It kills valuable life.
2. It leads to gradual death.
3. Sometimes the victim becomes mad.
4. It damages the appearance.

Preventions :

1. Jealousy should be avoided.
2. Morality should be developed.
3. Administration should be strong.
4. Open market sale of acid should be stopped.

SMOKING/DRUG ADDITION

Causes :

1. Frustration
2. Bad company
3. Unawareness of parents
4. Curiosity
5. Hobby
6. Tension

Effects :

1. It causes cancer.
2. It irritates eyes.
3. It increases blood pressure.
4. It damages brain.
5. It causes respiratory diseases.
6. It causes unnatural death.

Prevention :

1. Frustration should be removed.
2. Bad company should be avoided.
3. Curiosity should be controlled.
4. Hobby should be reasonable.
5. Parents should be aware.
6. Tension should be removed.

LOAD SHEDDING

Causes :

1. Less production,
2. Increasing demand
3. Illegal connection
4. Mismanagement
5. Weakness of administration
6. Corruption
7. System loss
8. Lack of awareness

Effects :

1. Production of mills and factories remains stopped.
2. Operation remains stopped.
3. Student cannot study.
4. Surroundings become dark.
5. Hijacking, Robbery, Snatching etc. occur.
6. It hampers economic development.

Prevention :

1. Illegal connection should be disconnected.
2. Administration should be strong.
3. Corruption should be removed.
4. Mismanagement should be removed.
5. Production should be increased.
6. New power plant should be set up.

PRICE HIKE

Causes :

1. Less production
2. Increasing demand
3. Storing
4. Syndicate
5. Weakness of administration
6. Dishonest business man

Effects :

1. The lower and the middle class people suffer most.
2. Market becomes restless.
3. Poor people cannot buy their necessary things.

Prevention :

1. Production should be increased.
2. Storing should be avoided.
3. Syndicate should be broken.
4. Dishonest businessman should be punished.
5. Administration should be strong.

TRAFFIC JAM

Causes :

1. Too many vehicles
2. Overtaking tendency
3. Narrow roads
4. Illegal parking
5. Unlicensed vehicles
6. Insufficient traffic police

Effects :

1. The students cannot go to school and college in time.
2. The officials cannot go to office in time.
3. The hospital going patient suffer most.
4. It kills our valuable time.

Prevention :

1. Over taking tendency should be avoided.
2. Illegal parking should be removed.
3. Narrow roads should be widened.
4. Unlicensed vehicles should be banned.
5. Sufficient traffic police should be appointed.

ARSENIC POLLUTION

Causes :

1. Drinking arsenic pollute water
2. Drinking unsafe water
3. Lack of awareness
4. Lack of pure water

Effects :

1. It causes skin diseases.
2. It causes poisoning.
3. Arsenic oasis leads to premature death.

Prevention :

1. Arsenic free water should be drunk.
2. Tub wells containing arsenic should be painted red.
3. People should be aware of it.

CLIMATE CHANGE

Causes:

1. Variations in solar radiation
2. Ocean variability
3. Orbital variations
4. Vulcanizing
5. Cutting down trees
6. Destroying forests
7. Use of CFCs
8. Industrial chemicals
9. Unawareness

Effects:

1. It causes increasing temperature.
2. It causes meeting polar ice caps.
3. It causes rising sea level.
4. Because of climate change, the sea coast lower part of the countries of the world may go under water.
5. It may bring about untold suffering for the people.

Preventions:

1. Trees should not be cut down unwisely rather more trees should be planted.
2. Forest should be protected.
3. Industrially developed countries should be aware of this regard.
4. Massive work accompanied by the world's leaders is very essential.

GREEN HOUSE EFFECT/GLOBAL WARMING

Causes:

1. Deforestation
2. Burning down of tropical forests
3. Rapid growth of unplanned industries
4. Over population
5. Population
6. CFCs
7. Carbon dioxide gas

Effects:

1. The atmospheric temperature is increasing.
2. It causes natural calamities.
3. It is harmful for food production.
4. It causes ecological imbalance.
5. It causes rising sea level.
6. Lower sea coast areas of the world may go under water because of it.

Prevention:

1. Forest should be protected.
2. Trees should not be cut down unwisely rather more trees should be planted.
3. Industries should be set up in a planned way.

(Female education)

- ❑ An educated woman is an asset for nation. She plays an important role in the development of the country. An educated mother teaches her children well. An educated mother can make an educated citizen. Female education is also essential for peaceful conjugal life. He/she will always keep her family neat and clean.
- ❑ Superstition, social and religious restrictions etc. are the main obstacles to female education.

Model Composition-8

(দরিদ্র ও কষ্টসহিষ্ণু কর্মজীবী মানুষ সম্পর্কে)

- | | | |
|-------------------------------|----------------------|-------------------------|
| (1) A farmer, | (2) a street hawker, | (3) a fisherman, |
| (4) a rickshaw puller, | (5) a day labour, | (6) a nurse, |
| (7) a maid servant, | (8) a postman, | (9) a railway porter, |
| (10) a garment worker, | (11) a cobbler, | (12) a cleaner/swapper, |
| (13) a tokai/ rootless child. | | |

Introduction : Man is a social being. So, man cannot live without society. Different kinds of people live in the society. Some are upper class and some are lower class. -----is one of them. He is a lower class person in the society. His life is very simple and full of hardship. Generally he wears simple and shabby dresses. But, he is a helpful person for us.

Activities: -----gets up early in the morning and works from dawn to dusk. ---

Contribution to the society : The contribution of a-----to the society cannot described in words. We cannot deny his role to the society. He provides us with the necessary things. We get these things by his hard labour . He makes these things available for us. He meets up our demands. He makes our life easy and comfortable. Actually for the service of lower class-----, the upper classes are the upper classes.

Deplorable condition: The condition of a -----is very miserable. He leads a very poor life. He lives in a simple house/on footpath. He cannot get a square meal in a day. Poverty and starvation is his constant companions. Generally, he is physically weak and sick. He does not get proper medical treatment. He cannot send his children to school. He cannot enjoy the basic human needs.

Social position: In the society he is a lower working class'people. There is no importance of his opinion in the social affairs. Nobody calls him for that. Always he has to obey the upper classes of the society. Sometimes his life is shaped by the upper classes of the society. Actually he is neglected in the society and deprived of his social rights.

Conclusion : In fine, though -----is poor and has no rights in the society, his service and contribution cannot be denied. He helps us in many ways. His service protects the social balance. So, we should not neglect him rather we should honour them and be kind and sympathetic to them.

সংযুক্তি

A farmer

He goes to the fields and works in his lands. He sows seeds and grows different kinds of crops in his lands. He takes after them. At last he brings them to his house. Then he meets up the demand of the country.

A street hawker

He goes out with some goods and commodities in his arms or on the head. He shouted in a strange voice to draw the attention of the customers. Women and the children are his main customers. Some hawkers are cheats. We should be aware of the hawkers who are cheats.

A fisherman,

He goes to river or sea to catch fish with net or other traps. Sometimes he goes to the deep sea or river. He sells fish in the market and buys necessary good and commodities for his family.

A rickshaw puller

He goes out with his rickshaw. He draws the attention of the passengers by shouting or ringing bell. When he becomes tired, he takes rest. At the end of the day, he returns home with some necessary goods and commodities.

A day labour

Model Composition-6

(ভ্রমণ সংক্রান্ত যা কিছু)

- (1) A journey by bus (2) A journey by train (3) A journey by boat
(4) A journey by plane

Introduction: Journey is always a pleasure to me. Journey makes us fresh and relaxed. It is a part of education. It makes a man happy. Journey by-----is very enjoyable to me.

Occasion : It was a holyday. My school/ college were closed. My uncle lives in Dhaka. My cousin invited me to pay a visit to Dhaka. I accepted the invitation cordially.

Description : Few days ago, I made a journey by----- . It was a journey from Chittagong to Dhaka. It was a nice morning. There weather was fine. The sky was clear. I prepared myself for the journey. I along with my friends reached the spot. We hired a boat/we bought tickets the day before. Motor cars and other vehicles were coming to the spot with passengers. It was then a very busy time. I got into the train/ bus/plane/boat. I took my seat. Other passengers also took seats. After half an hour, the train/ bus/plane/boat started running. The train/ bus/plane/boat left the station/ stand/air port/ghat. Gradually the speed of the train/ bus/plane/boat increased. It left behind green fields and others. I looked outside and found the beauty of nature. I saw some clouds floating in the sky. It charmed me very much. The passengers were talking on various matters in the bus/ train/plane/boat. Some were reading news papers and magazines. -----

Destination: At last the train/ bus reached the destination. I got down and my journey came to an end.

Conclusion: The journey gave me much pleasure. It was one of the most memorable days in my life. I will never forget the journey. It will remain ever fresh in my heart. I wish I could make such kind of journey again.

সংযুক্তি

Boat : We some fishermen were catching fish. Some women were taking water from river with jar and some people were swimming in the river.

Plane : I saw looked out through the window. The villages seemed small trees. The rivers seemed snakes.

|--|--|
| (1) Female education | (2) Compulsory primary education, |
| (3) Technical education/Vocational education | (4) Mass education/ Education for all, |
| (5) Adult education | (6) Education and poverty alleviation, |

Introduction: Education is the backbone of a nation. No nation can prosper without it. -----education is also the backbone of a family, a society and a nation. So we must be educated for different purposes.

Importance : Education is compared to light and illiteracy is compared to darkness. It removes the darkness of ignorance and refines our sensibility. Education helps us how to earn well and how to spend well. It helps to remove poverty. It helps us to differentiate between right and wrong. It broadens our outlooks and ennoble our mind. It makes a man prepared for earning livelihood. Islam has encouraged education. Education is compulsory for men and women in Islam. Once Napoleon Said "Give me an educated mother, I will give you an educated citizen/ nation." So, education is a must. Without education, people cannot be enlightened. An educated person can contribute a lot to the economy. So, education is very essential for economic development of a nation. An educated person is aware of health, sanitation and family planning too. -----

Problems of education: lack of awareness is the main obstacle to education. Poverty is also a great problem in the path of taking education. Besides, the number of educational institutions is not sufficient. The class size is unusually large. The syllabus is not prepared properly. The education system is not upgraded. There is also lack of proper monitoring. There is also lack of trained teachers. Corruption is also a major problem in education sector.-----

Present Condition : The rate of -----education is increasing day by day in our country. People are taking education. Government has taken active steps to ensure education for all, Besides, the elite of the society, the NGO's and different organizations have come forward to ensure -----education. General people are also becoming aware of-----

Conclusion : In fine, -----education is very necessary for a nation in different purposes. So, Government should take more steps and allotment for education should be increased in the national budget. People should be aware of it. Thus a nation can be developed.

| (3) The Summer | (4) The Rainy Season |
| (5) The Autumn | (6) The Late Autumn |
| (7) A Summer Noon | |

Introduction : There are six seasons in Bangladesh. Each season consists of two months. Each season has its own features. We hear new sounds and enjoy new scenes in each season. The people feel different in each season.

Description: -----

Advantages : Everything changes. People forget the monotony of life and start their daily work in a new. We can come to the contact of nature in new turn. People can enjoy the different mode of the weather in this time. In this time the nature takes a special turn. We can enjoy it. Seasonal fruits are found then. We can also enjoy them.

Disadvantages : There are some disadvantages of ----- . In this time different kinds of diseases broke out. People feel a little bit disturbed in this time. They cannot adjust with it quickly.

Conclusion : -----is a remarkable and enjoyable time. Nature has given us this time. So, we are indebted to nature. The natural beauty of this time is very enjoyable. I like it very much.

সংযুক্তি

Summer

The first season in Bengali calendar is the summer. Bengali months baishakh and jaistha constitute summer. There is terrible heat in summer. People become tired at the slightest work. Some times kalbaishakhi sweeps over the country.

Rainy Season

After summer comes the rainy season. Bengali months ashar and srabon constitute the rainy season. The sky remains overcast with cloud. It rains heavily now and then. The earth and roads become wet and muddy. Everything in nature looks fresh.

The Autumn

After the rains comes the autumn. Bengali months Bhadra and Ashwin constitute the autumn. The sky remains clear. The Hindus perform their Durga Puja.

The Late Autumn

After the Autumn comes the late autumn. Bengali months Kartik and Agrahayon constitute the late autumn. It is the season of dew. The farmers harvest. They perform their Nabannaa. It also hints the arrival of winter.

Winter/ Winter Morning

After the late autumn comes the winter. Bengali months Powsh and Magh constitute the winter. Winter looks gloomy. Trees become bare of leaves. Days are very short and nights are very long. People shiver in cold. People need warm cloths. The old pass their time under the quilts. It is the season of fog. The sun rises late.

Spring

After the winter comes the spring. Bengali months Falgun and Chitra constitute the spring. It is the best of all seasons. It is neither too cold nor too hot. Trees get new leaves and flowers. Gentle breeze begins to blow. The sweet song of cuckoo is heard. People enjoy a better health. Actually it is the queen of all seasons. This for all these reasons I like this season very much and it is my favorite season.

A summer noon

the first season in Bengali calendar is the summer. Bengali months baishakh and jaistha constitute summer. There is terrible heat at summer noon. People become tired at the slightest work. People try to drink cold water. Some people pass their time under trees. Some people die of heat-stroke. The children, the old and the fatty suffer a lot.
